Why you should choose the Kitchen & Makeover Company for your kitchen makeover.

Dear Mark and Lisa

"We would like to say a big "thank you" for all the help and advice you gave us to select and have fitted our new kitchen doors, drawers and worktops. The makeover itself was exactly what you had promised and more.."

**Diana + Brian
Loughton**

To us it's not a side line, or a bolt on, it's been the heartbeat of our business for well over a decade now. We are your local specialists. And we live, eat, sleep and breathe makeovers.

For you, that means you are going to get the most enthusiastic service, the most knowledgeable advice with the most amazing outcome. And at a price far less than changing your entire kitchen.

You can trust us implicitly to deliver the look you want. We appreciate the trust you put in us and take total ownership of the end result. So much so, that if we ourselves were not totally happy with the outcome, we would purchase at our own expense, the necessary items to complete the look.

We put the outcome for you, way ahead of the profit for us.
