# HOW MUCH DOES A KITCHEN MAKEOVER COST?

It's one of the first questions we're asked — and we don't blame you for asking! The honest answer? There's no one-size-fits-all price... **BUT it's almost always much less than ripping everything out and starting your kitchen from scratch.**

And here's another big bonus: Most makeovers take just 1 to 3 days to complete. That means minimal mess, minimal fuss — and you can be back in your kitchen in no time. **A lot of our customers love that part!**

What many people don't realise is that there are actually **four different types of kitchen makeover** you can choose from at The Kitchen & Makeover Company. Each one comes with its own price range and timescale — depending on how much you'd like to refresh or revamp.

Over the next few pages, you'll get a quick overview of the makeover options we've designed to suit all kinds of budgets and wishlists. It's a great starting point if you're trying to figure out what's right for you.

**And if you'd rather talk it all through in person — Pop in and see us in our lovely Loughton showroom!**

# WHAT KIND OF MAKEOVER WOULD BEST SUIT YOU?

The beauty of a makeover is how personal it can be — no need to rip out your entire kitchen and start from scratch! That means **less mess, less stress**, and a lot more money left in your pocket.

You get to decide exactly how much (or how little) you want to change to create a kitchen that feels fresh, fabulous and completely you.

And here's a little-known secret: at The Kitchen & Makeover Company, we don't just offer one kind of makeover — we offer four! Each one is designed to suit different budgets, timescales and levels of change — so you can choose the one that's just right for your home and your wallet.

Let's take a closer look at your options...

- 1 DOOR SWAP-OVER**
- 2 DOORS AND MORE**
- 3 COMPLETE MAKEOVER**
- 4 LUXURY MAKEOVER**

They are all described in detail on the following pages.

# 1

## DOOR SWAP-OVER

Just like it sounds — this makeover is all about changing the doors. And that's it! Perfect if you're happy with everything else and just want a quick, stylish refresh.

Want to keep the same colour doors? Easy. Want to go bold with a new contrast, like sleek cream gloss doors against your existing wooden trims? **Gorgeous!**

You can even keep your old handles if you love them — and we'll only touch the hinges if they need it. **Not every makeover needs to be a full transformation.**

### IS A DOOR SWAP-OVER SUITABLE FOR YOU?

Absolutely — especially if you're watching your budget. A DOOR SWAP-OVER is our most cost-effective makeover and still packs a real punch in terms of impact.

It's ideal if your kitchen doesn't have trims or panels — and especially brilliant if you love your current worktops and just want to give the rest a lift.

AVERAGE FITTING TIME - 1 DAY

**\*BUDGET RANGE - FROM £1995**

\*Budgets vary depending on size of kitchen and door styles chosen. Does not include installation. Budgets will be created on an individual basis.

### *"First Class Kitchen Makeover"*

Hi Lisa. Just a short note to say thank you for a first class kitchen makeover that is hard to distinguish from a new full carcass installation. Please pass on Linda and my thanks to Mark for his much appreciated input and help in the early stages.

## DOORS AND MORE

This one's a step up! As well as replacing the doors, the DOORS AND MORE makeover includes all the key trims — like new cornices, light pelmets, and plinths.

(That's the trim above and below your wall units, and the kickboards down by the floor — the bits that bring the whole look together.)

We can also add matching end panels or vinyl wrap any exposed cabinet ends so everything looks seamless. Add a gorgeous new set of handles and you've got yourself a stunning new look.

### IS A DOORS AND MORE MAKEOVER SUITABLE FOR YOU?

Perfect if your worktops are staying put but you're ready for a proper glow-up!

Many of our customers already have granite worktops they love, but they still want a big change in style — and this makeover delivers it.

AVERAGE FITTING TIME – 2 DAYS \*

**\*BUDGET RANGE - FROM £2995**

\*Budgets vary depending on size of kitchen and door styles chosen. Does not include installation. Budgets will be created on an individual basis.

*"The Difference Is Amazing"*

Dear Mark and Lisa

A huge thank you for all your design work and patience in giving me such a beautiful kitchen!

The difference is amazing. The sunshine streams in and it looks twice the size it was.

What a gem Perry is! He never stopped from 7.30am only if I made him a coffee.

I don't mind anyone coming to see it as a recommendation.

## COMPLETE MAKEOVER

Our most popular makeover — and with good reason!

With a COMPLETE MAKEOVER, you'll get new doors, trims, panels and brand new worktops. So everything you see gets a total refresh, and your kitchen feels brand new.

And if you're changing your worktops, it's a great time to think about upgrading your sink, taps or hob — especially if they've seen better days. Also it's now quite common to upgrade the odd cabinet that no longer functions properly or is possibly damaged.

Likewise with non-functioning appliances. All of these small modifications can be made and they'll make all the difference to the way your kitchen looks and functions.

### IS A COMPLETE MAKEOVER SUITABLE FOR YOU?

This is great if you can't be doing with the upheaval of starting from scratch. Also it's a very good idea if you can't really change the layout of your existing kitchen.

What you do get is a completely new and modernised look in as little as 3 days, with a budget that is much kinder on the pocket.

AVERAGE FITTING TIME 3 - DAYS

**\*BUDGET RANGE - FROM £3995**

\*Budgets vary depending on size of kitchen, door styles chosen, worktop choices and whether you need any new cabinets. Does not include installation. Budgets shown do not include appliances, sink, taps, cabinets or hardware accessories. Budgets will be created on an individual basis.

*"A Big thank You"*

Dear Mark and Lisa

We would like to say a big "thank you" for all the help and advice you gave us to select and have fitted our new kitchen doors, drawers and worktops. The makeover itself was exactly what you had promised and more. We would not hesitate in recommending him to others.

## LUXURY MAKEOVER

This is the big one — the LUXURY MAKEOVER. You get everything in the previous makeovers... plus all the beautiful extras you've always dreamed of.

We're talking about redesigns, centre islands, solid stone worktops, undermount sinks, hot taps, glass splashbacks... the works.

Want to maximise your storage with a pull-out larder, magic corner or drawers instead of cupboards? Need new appliances or want to upgrade the whole kitchen experience?

**This makeover is your moment.**

With a LUXURY MAKEOVER you can choose to spend as much or as little as you feel comfortable with on those little luxurious features that please you most. **Your friends will be envious when they realise your fabulous looking kitchen is in fact a massive money-saving makeover.**

### IS A LUXURY MAKEOVER SUITABLE FOR YOU?

If you've decided not to spend £15,000–£20,000 on a brand-new kitchen but still want that top-end look, this is your sweet spot.

With a LUXURY MAKEOVER, you can enjoy all the features you've always wanted — often for a lot less than a full replacement kitchen.

**AVERAGE FITTING TIME 4-5 DAYS**

**\*BUDGET RANGE BETWEEN  
£5,000 - £10,000**

\*Budgets will vary depending on size of kitchen, door styles chosen and worktop choices and finish. Ultimately your budgets will vary according to the amount of luxurious additions you choose to have. Budgets will be created on an individual basis.

*"Lisa it is Amazing"*

**I know this will probably sound stupid to say now but I'm quite astounded as to how good it looks!**

**My boyfriend is currently banned from the kitchen as I don't want him to touch it and ruin it!**

**I am also unnaturally excited with my hot tap!!! Thanks so much.**
